CLASS HISTORY

We, the class of 1958, in order to better prepare ourselves to take our places in society, establish new friends, and to further our education, began our journey through Edgerton-St. Joseph High School in the year 1954, with fifty-three members. Our advisor was Mr. Roger Strup, and our officers were president, Jim Rinkel; vice-president, Lavon Goebel; secretary-treasurer, Judy Kimpel; and student council member, Rita Nichols. Officially we became freshmen October 12, when the sophomores held their initiation party for us. We in turn thanked them by giving them a Christmas party. Many of our members were active in F.F.A., F.H.A., band, chorus, baseball, and four of the boys made the varsity basketball team which won the county championship for the eighth year in a row, making us very proud. Our dues were \$2.25 this year.

Our sophomore year found us with forty-four members. Our advisors this year were Mr. Greeley Shoup and Mr. Bert Kepler. We chose as our president, Marlin Pettit; vice-president, Jim Rinkel; secretary-treasurer, Charlene Radabaugh; and student council member, Janet Shepard. Our only party this year was the freshman initiation. Again our dues were \$2.25, and to earn some money we sold Christmas cards. We were now eligible to join Hi-Y and Tri-Hi-Y and some of us were accepted as members. During the second semester twelve of us qualified as probationary members of the National Honor Society.

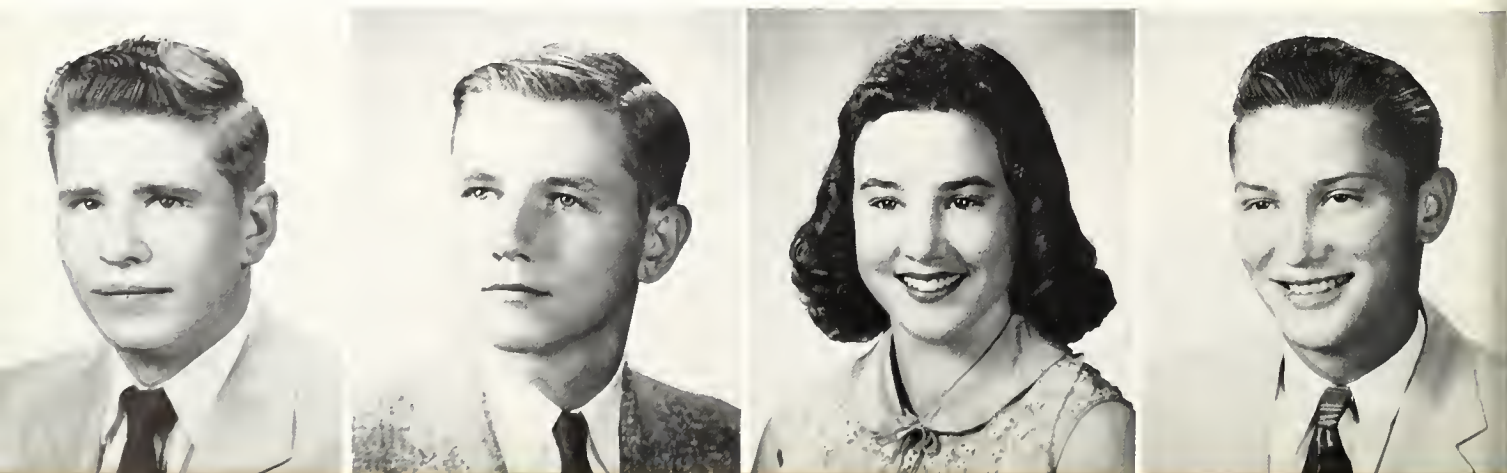

Forty-three of us returned to E.H.S. as juniors. Again Mr. Greeley Shoup was our advisor, assisted by Mr. Robert Koenn. Marlin Pettit again served as president; Rita Nichols, vice-president; Judy Kimpel, secretary; Jyhnsie Maxwell, treasurer; and Charlene Radabaugh as student council representative. We were very proud of our class rings which we received this year. Our activities as juniors were the National Honor Society, into which twelve of us were inducted as full-fledged members. We also had band, chorus, Hi-Y, Tri-Hi-Y, F.F.A., F.H.A., baseball, and basketball. To

raise money for the senior trip we paid \$10 class dues, sold Christmas candy, made and sold pompoms, and presented our play "Father Was A Housewife" on March 15 and 16. We spent part of that money on our Junior-Senior Banquet. As our theme we chose the beautiful "On the Beach of Waikiki."

As seniors we were a dignified but happy group of thirty-nine students. With the able assistance of Mr. Henry Stauffer and Mr. Carl Anderson, we directed our main efforts toward the goal of a spring trip to New York City and Washington D.C. The class officers were president, Judy Karnes; vice-president, Jim Rinkel; secretary, Jack Sindel; treasurer, Janet Shepard; and student council representative, Marlin Pettit. Our activities were similar to those of our junior year. We had our pictures taken and received them just before Christmas. Under the direction of Miss Krill and Mr. Koenn, we presented our play "Come Out of the Closet" on October 18 and 19. Our money-making projects included selling magazine subscriptions, bake sales, a car wash, operating the concession stand at ball games, and sponsoring record hops. This year our dues were again \$10. On January 9 we celebrated our annual "skip day" by spending the day at Pokagon Park tobogganning. We came back with many bumps and bruises, but we shall always remember the fun we had that day. The juniors very cleverly entertained us at the Junior-Senior Banquet, using the theme "Sayonara." During the second semester, grades were averaged, and Jack Sindel was named as valedictorian, Jyhnsie Maxwell, salutatorian, and Cathy Moffett, historian. Now here we are at the end of the school year and we graduate tonight. On Sunday we start for New York City and Washington D.C., return home Thursday, and then our high school career will be officially ended.

Our alma mater will very little note nor long remember what the Class of 1958 has said here; but it can never forget what we have done here.

SENIORS 1958

Time teaches us the great lesson of patience and its rewards. There are few roads in life too long for those who advance steadily and deliberately. There are few things impossible for those who prepare themselves patiently and apply themselves determinedly. Seek out ambition, integrity, and honest. They are your guides.
